EDUCATION.....

Eleven Fifty Academy, (2017)

- Gain the skills necessary to enter the field of web development. Learn by doing; build a portfolio with course projects and usable apps. Become skilled in coding fundamentals, JavaScript, and public speaking.

National Camp School, COPE Director (2014)

- Successfully completed 2-week intensive training course to become a certified instructor, which allowed me to lead a group safely through creative obstacles to promote many aspects of team-building and personal development. Also how to safely instruct and run an artificial climbing facility.

Ivy Tech, General Studies (2011-2015)

- Focus on Physics and Economics

Byron Fellowship, Byron Fellow (Spring 2011)

- Byron Fellowship is an interdisciplinary course in leadership and sustainable community development that uniquely engages participants through place-based learning. Completed this course, designed for graduate students and working professionals, as a high school student senior.

Carmel High School, Core 40 (2001-2011)

- Spanish Club, Chess Club, Photography Club, Rock Climbing Club, Billiards Club, Break Dancing Club
